

# Edit Message Data Form

## About form

The method of using the Edit Message Data Form will be described below. The [MST\_CERT\_MESSAGE] sheet is shown by pressing the [Edit message] button, and this form is shown when the data of the sheet is edited.

To show the form, you can show it by double-clicking the row on the message table. Also, if you press the double click while holding down the [SHIFT] key, the form will not be shown.

Enter the required data on the form and press the [OK] button to insert the message data in the corresponding row of the Excel sheet(message table).

	A	B	C	D	E	F	G	H	I

## Operation manual

The following is a brief description of how to operate the Edit Message Data form.

The screenshot shows a window titled "Edit certificate message" with a close button (X) in the top right corner. The window contains the following elements:

- 1**: The title bar of the window.
- 2**: A text input field labeled "Score" containing the value "100". Below it is a small text instruction: "The score that is the lower limit of this grade. The upper limit of this grade is the lower limit of the upper grade."
- 3**: A large text area labeled "Commendation Message" containing the text "Excelent! Marco van Basten level scoring ability." Below it is a small text instruction: "Please enter the message that corresponds to this grade."
- 4**: A text input field labeled "Note" containing the text "Points = 100". Below it is a small text instruction: "Please enter a note.(optional)".
- 5**: Two buttons at the bottom, "OK" and "Cancel".

Fig. Edit Message Data Form

1. title bar : The purpose of this form and the title of the data to be input / edited are displayed. Click the [Help] icon to show how to use (this manual).
2. score : This is an area for entering the target score of the message, and the score out of 100 points is entered. The range of score ranks for messages is from the score entered here (included) to the higher rank score (not included).
3. message : This is an area for inputting the content of the message corresponding to this rank. This message is quoted on the commendation sheet.
4. note : This is a free space area to fill in if there is anything worth noting for this rank.

5. OK / Cancel button : [OK], [Cancel] buttons. If there is no problem with the data of each item you have edited and entered and you want to insert the message data in the Excel sheet, click the [OK] button. To cancel editing the message data, click the [Cancel] button.
