

# Confirmation Form

---

## About form

---

This chapter describes how to use the Confirmation Form. This form is shown when an event that Dr. Quiz wants you to confirm occurs while using this application. By pressing the [OK] button on this form, you have agreed to the content of the notification, and if you select the [Cancel] button, you have denied the confirmed content.

## Operation manual

---

The figure below is the Confirmation Form. The operation manual of this form is briefly shown below.

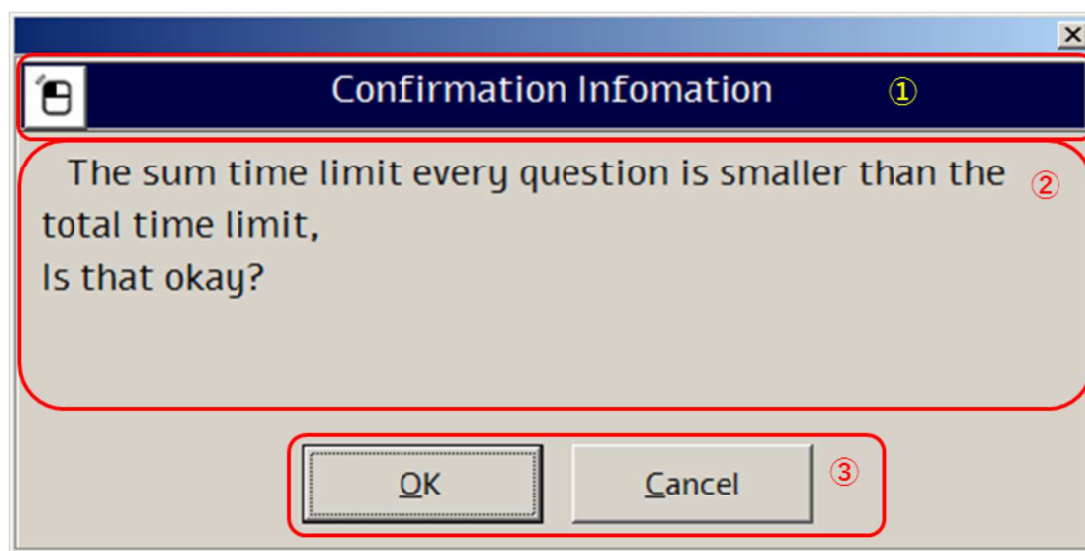

Fig. Confirmation Form

- ① Title bar : This area is mainly an area for displaying the title of the confirmation content. Click the icon button to show how to use (this manual).
- ② Confirmation content area : This is an area for showing the contents for you to confirm.
- ③ [OK] [Cancel] buttons : If the user agrees with the confirmation contents, click the [OK] button. If you do not agree, click the [Cancel] button to cancel the process.

## Accelerator

---

The following is a list of processes that can be shortcut when used in combination with the [Alt] key.

Key	Process
[Alt] + [O]	The same process as when the [OK] button is pressed is executed.
[Alt] + [C]	Performs the same processing as when the [Cancel] button is pressed.

※ You can use the [Tab] key to sequentially select screen controls.
